Syllabus for MATH 2423-900
Calculus and Analytic Geometry II
Spring 2009

Meeting Time: Tuesday/Thursday 6:00-7:20 PM
Room: PHSC 102

Instructor: James Dover
Office: PHSC 1017a
Office Hours: Tuesday 2:30 – 3:30, Wednesday 1:30 – 2:30, Thursday 1:30 – 2:30, and by appointment
Email: jamesdover@ou.edu

Prerequisites: MATH 1823 – Calculus and Analytic Geometry I

Course website: Up to date course information, announcements, and homework assignments can be found at http://math.ou.edu/~jdover/2423-S09. Desire2Learn (learn.ou.edu) will be used to keep track of grades. All homework and exam scores will be posted on D2L.

Attendance: While attendance is not required, you are responsible for all information given out during class. Good attendance may be considered towards rounding up your final grade if it is slightly below the cutoff level for a letter grade.

Grading: Grades will be based on weighted scores as follows:

<table>
<thead>
<tr>
<th>Component</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Midterm 1</td>
<td>26%</td>
</tr>
<tr>
<td>Midterm 2</td>
<td>26%</td>
</tr>
<tr>
<td>Final Exam</td>
<td>26%</td>
</tr>
<tr>
<td>Homework</td>
<td>22%</td>
</tr>
<tr>
<td>Total</td>
<td>100%</td>
</tr>
</tbody>
</table>

The grading scale is:
A = 90 – 100%;  B = 80 – 89%;  C = 70 – 79%;  D = 60 – 69%;

Homework: Homework will be assigned most weeks. It will be due at the beginning of class, usually on Thursdays. You are responsible for your homework being turned in on time. Homework must be stapled, and your name must be clearly written on the first page. You are allowed to work in groups on assignments, but you must turn in individual solutions. Only your 10 highest homework grades will be counted.

Exams: There will be three exams, given during the regular lecture period in the same room. The dates of the exams will be:

- Midterm 1: Thursday, February 19, 2009
- Midterm 2: Thursday, April 2, 2009
- Final Exam: Thursday, May 7, 2009

- You may not use calculators, computers, books, or notes of any kind on the exams.
- All exams must be taken at the scheduled times, except in very extreme circumstances. If you cannot take an exam at the scheduled time, you need to contact me well in advance with a documentable reason, and we can arrange a time for a make-up exam. Otherwise, missing an exam will result in a score of zero.

Mathematics Department Help Center: The Help Center is located at PHSC 425A. It is open on weekdays 9:30 AM – 5:00 PM at the least. It is staffed by graduate students who are there to help you with questions.
Some important dates:
(1) First day of classes: Tuesday, January 20, 2009
(2) Last day to withdraw with an automatic W: Friday, February 27, 2009.
(4) Last day to withdraw with a W/F without petition to the Dean: Friday, March 27, 2009.
(5) Final Exam: Thursday, May 7, 2009, 6:00-7:20 PM

Academic misconduct: All cases of suspected academic misconduct will be referred to the Dean of the College of Arts and Sciences for prosecution under the University’s Academic Misconduct Code. The penalties can be quite severe. Don’t do it! For more details on the University’s policies concerning academic misconduct consult http://www.ou.edu/provost/integrity/

For information on your rights to appeal charges of academic misconduct consult http://www.ou.edu/provost/integrity-rights/

Students are also bound by the provisions of the OU Student Code, which can be found at http://judicial.ou.edu/content/view/27/32/

Students with disabilities: The University of Oklahoma is committed to providing reasonable accommodation for all students with disabilities. Students with disabilities who require accommodations in this course are requested to speak with the instructor as early in the semester as possible. Students with disabilities must be registered with the Office of Disability Services prior to receiving accommodations in this course. The Office of Disability Services is located in Goddard Health Center, Suite 166: phone 405–325–3852 or TDD (only) 405–325–4173.
