RE: Constitution Approval  
DATE: August 12, 2008

Our office recently received a copy of your organization's constitution. After a careful review, our office has concluded that your organization's constitution complies with the UOSA Constitution and with the provisions of the Student Code of the University of Oklahoma. This means that your organization will be eligible to use University facilities and to access available funding apportioned from student activity funds.

However, your organization must abide by Title 10 of the University of Oklahoma Student Code. Specifically, you should be well aware of sections 4.4(a) – 4.4(e) of Title 10 regarding the responsibility of the organization and its members for violations of the Student Code. Your organization and its members should also be very familiar with the University's new Alcohol Policy set forth in the Student Code in Title 17, Section 4.

Please convey this information to the members of your organization. If you have any questions, please do not hesitate to contact me, either by email at [gc@ou.edu](mailto:gc@ou.edu) or by phone at 325-5474.

I wish you the best of luck with your organization's activities in the coming year.
